Dear Adrian Diaz Nunez :

Congratulations! You have met the requirements to become a Registered Nurse in the State of Florida. Your license number is RN9715435.

Your license has been issued as a single state license. For more information about the Nurse Licensure Compact, please visit [Licensure Compacts | NCSBN](#).

The Division of Medical Quality Assurance is now issuing electronic licenses, which enables you to download a PDF copy of your license within two business days. The license can be retrieved in the License Documents menu of your [MQA Online Services Portal](#) account. To learn more, please visit the electronic licensing webpage at <https://flhealthsource.gov/electronic-licensing/>. Your license will be valid through 04/30/2028.

It is your obligation to complete any continuing education (CE) that is required prior to renewing your license. Visit www.FLHealthSource.gov/AYRR and become familiar with the renewal process. Your CE requirements can be found at <http://www.flhealthsource.gov/requirements>.

Approximately 90 days prior to the expiration date shown on your license, a postcard reminder will be mailed to the last known address on file for you. The U.S. Post Office does NOT forward state mail. Rule 64B11-4.007, Florida Administrative Code, requires you to notify the Board of any address change within 60 days. Address changes may be submitted electronically through your [MQA Online Services Portal](#) account. It is your responsibility to renew your license whether or not a renewal notice is received. You may not provide services with an expired license.

The Department of Health strives to provide quality customer service. Please visit the following link to tell us how we are doing: <http://flhealthsource.MQA-Customer-Satisfaction-Survey.sgizmo.com/s3/>.

For contact information and to keep informed of the latest news, updates, and information related to the laws and rules which govern your license on the Board's website at www.FloridasNursing.gov.
