1 Objective

I am a dedicated Medical Front Desk Receptionist with a strong background in managing patient workflows and administrative coordination in busy medical settings. I specialize in navigating complex insurance portals like **Florida Blue, Availity, and Florida SHOTS**. My goal is to combine technical efficiency with a professional, human touch, ensuring that both the clinic's operations and the patients' needs are handled with the highest level of care.

Languages

English & Spanish (Written and Spoken)

2 Work Experience

2.1 Medical Front Desk Receptionist

BARROSO MEDICAL SERVICES LLC 2023-ongoing

In my current role, I manage the daily operations of the front desk for a general practice office. My core responsibilities include:

- **Insurance & Authorizations:** Processing referrals (In/Out Network) and prior authorizations for **Florida Blue (BCBS)**, Simply Healthcare, Aetna, Sunshine Health, and United Healthcare.
- **Clinical Documentation:** Managing the **Florida SHOTS** portal for vaccine records, preparing school forms (680/3040), and drafting medical necessity letters for patients.
- **Service Coordination:** Facilitating prescriptions for pharmacies, home health services (OT, ST, ABA, PT), diagnostic imaging (Mammograms), and coordinating newborn screening results.
- **Records Management:** Handling patient medical records through Datavant and Datafied, ensuring full compliance with HIPAA laws while merging and organizing digital files.

- **Office Administration:** Maintaining the office supply inventory, managing patient communications via Nextiva and WhatsApp Business, and tracking daily co-pays and consultation fees using MS Excel.
- **Patient Relations**: Provide empathetic, professional service in a high-volume environment, ensuring a calm and organized waiting area for both pediatric and adult patients.

3 TECHNICAL SKILLS

- EMR & Health Systems: Office Ally, Oscar CMS, Florida SHOTS, Florida Dept. of Health Portals.
- Insurance Portals: Florida Blue, Availity, Sunshine Health, United Healthcare, Navinet, Medicaid Portal, Cigna.
- Laboratory & Records: Quest, LabCorp, HealthTrack, Biotech, Datavant, Datafied.
- Clinical Admin: Proficient in filling out Plans of Care (POC), PPD/TB screening documentation, and medical clearances.
- Office Tools: Nextiva (VoIP), WhatsApp Business, MS Excel, Word, and AI productivity tools to streamline office tasks.

3.1 FRONT DESK RECEPTIONIST

RAMADA HOTEL | Miami, FL 2022-2023

- Managed guest check-ins/outs, reservations, and bilingual customer service in a professional hospitality environment.
- Balanced daily cash drawers and maintained accurate financial records for guest accounts

4 EDUCATION

- Bachelor of Science in Industrial Engineering (University of Pinar del Río, Cuba)
- Florida SHOTS Certified User
- HIPAA Compliance Training
- BLS (Basic Life Support) – American Heart Association
